**ENROLLMENT STATISTICAL SUMMARY
(DELIVERY-SITE BASIS)
FALL 2004**

AS OF AUGUST 30, 2004

EXECUTIVE SUMMARY

This Enrollment Statistical Summary provides delivery-site information. Administrative-site headcounts, since they are more closely related to the budgetary authority exercised by the campus, are officially reported to the Board of Regents. Delivery site reporting counts all students, including those in UNL programs delivered at UNO, but excludes UNO programs delivered in Lincoln (CPACS programs). Administrative-site reporting is an alternative approach to counting enrollments and credit hours. Administrative-site reporting counts students enrolled in UNO programs only (including the CPACS programs delivered in Lincoln).

The Office of Institutional Research has found delivery-site counts to be the most frequently requested figures by campus units for academic and administrative planning purposes. The purpose of this summary is to provide the undergraduate and graduate enrollments and student credit hour information by college or equivalent academic unit, class, gender and ethnicity.

A glossary at the end of the report provides a list of definitions for headings and categories found in the report.

Fall 2004 Campus Summary

A campus summary of changes in delivery-site head count enrollment and student credit hours compared to fall 2003 is below.

- Fall 2004 head count enrollment is 14,667, a -1.9% decrease compared to the fall 2003 enrollment of 14,959 (see Figure 1).
- Fall 2004 undergraduate head count enrollment is 11,884, a -1.5% decrease compared to the fall 2003 enrollment of 12,064 (see Figure 2).
- Fall 2004 graduate head count enrollment is 2,783, a -3.9% decrease compared to the fall 2003 enrollment of 2,895 (see Figure 2).
- Fall 2004 student credit hours are 154,911, a -1.7% decrease compared to the fall 2003 credit hours of 157,563 (see Figure 3).
- Fall 2004 undergraduate credit hours are 140,190, down from fall 2003 by -1.2% (see Figure 3).
- Fall 2004 graduate credit hours are 14,721, down from fall 2003 by -4.4% (see Figure 3).

Administrative Site

- Fall 2004 administrative head count enrollment is 13,824 down -1.2% from the previous fall (see Table 1) and administrative site credit hours are 148,221, down -1.1%.

Fall 2004 Overview

The number of new first-time full-time freshmen is up by 7.6% to 1,583 and the number of new transfer students is up by 3.1%. ACT scores and high school grade point averages for entering freshmen are among the highest in UNO history. The decline in overall enrollment from fall 2003 to fall 2004 can be explained primarily by the following factors: 1) large graduating classes in the 2002-03 and 2003-04 years resulting in fewer returning students; 2) a continuation of the war in Iraq which impacts students on active military duty and their families who might otherwise have enrolled in classes; and 3) a decline in international students.

At the graduate level, international students declined by nearly 17%. National security issues have made it difficult for some international students to obtain visas.

The following colleges have higher undergraduate enrollments compared to fall 2003: Arts & Sciences, Business Administration, Education, Fine Arts, and Public Affairs & Community Services. The College of Information Science and Technology, Continuing Studies, Non-Degree, and Undeclared (University Division) majors are down in undergraduate enrollments. All the colleges have declined somewhat in graduate enrollments since fall 2003 except for Arts & Sciences and the Cooperative and Intercampus Graduate Programs.

Glossary

The head count and student credit hours in this enrollment report are provided on a delivery-site basis. Delivery-site includes enrollment in all courses taught at UNO regardless of "home" campus. This means that courses/programs offered through UNL but taught at UNO are included in the numbers presented here. Specifically, the delivery-site enrollment numbers include students enrolled in courses at UNO in the UNL Colleges of Agriculture, Architecture, Engineering and Technology, and Education and Human Science.

FIRST-TIME, Entering (freshmen) Student: Students attending any institution for the first time at the undergraduate level. For students entering the fall term, this includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also included are students who entered with advanced standing, i.e. college credits earned before graduation from high school.

OTHER FRESHMEN: At the beginning of the current semester, undergraduate students who (1) are not First-Time Freshmen and (2) have less than 27 semester hours earned from all institutions of higher education attended.

SOPHOMORES: At the beginning of the current semester, undergraduate students who have at least 27, but not more than 57, semester hours earned from all institutions of higher education attended.

JUNIORS: At the beginning of the current semester, undergraduate students who have at least 58, but not more than 90, semester hours earned from all institutions of higher education attended.

SENIORS: At the beginning of the current semester, undergraduate students who have at least 91 semester hours earned from all institutions of higher education attended.

NON-DEGREE/INTER-CAMPUS/SPECIAL UNDERGRADUATES: Special undergraduates not pursuing a degree at UNO in various programs: Inter-Campus UNMC, UNK, UNL, and Non-Degree.

NON-DEGREE/INTER-CAMPUS/SPECIAL GRADUATE STUDENTS: Special graduate students not pursuing a degree at UNO in various programs: Engineering Transfer Program, Inter-Campus UNMC, UNK, UNL, Inter-Campus UNL Graduate Psychology and Non-Degree.

MASTERS/SPECIALIST: Graduate students pursuing a degree less than doctoral.

DOCTORAL: Graduate students who have been accepted into a doctoral program.

FULL-TIME: In the current semester, undergraduate students enrolled for 12 or more semester hours, or graduate students enrolled for 9 or more semester hours.

PART-TIME: In the current semester, undergraduate students enrolled for less than 12 semester hours, or graduate students enrolled for less than 9 semester hours.

COOPERATIVE GRADUATE PROGRAM: Graduate students enrolled in Public Health or Human Resources and Training Programs offered cooperatively by two or more colleges.
